DJ DB 'THE HIGHER EDUCATION DRUM 'N' BASS SESSION' (F-111)

"The quality from this US label has been consistently high, from obscure classics to the reissue of two of the greatest remixes of the year: Timo Maas' and Danny Tenaglia's mixes of Green Velvet's 'Flash'. This is a drum 'n' bass album put together by DB, one of the founders of the label. He's always been a d 'n' b fan and he's put together this collection of rarities and new stuff with a lot of love and care. If you've been disillusioned with drum 'n' bass, give this a go."
